MRC's Adult Flag Football Rules

1. We will play seven on seven. You must have six players to start or continue the game. There is also a limit of fifteen players per roster.
2. Game time will be two 20 minute halves with a 5 minute half time. The 1st half will have a running clock, the 2nd half clock will stop inside the 5 minute mark if the game score is within 16 points (2 scores and extra points). The USSSA 17 point mercy rule will be in affect.
3. Team jerseys are not required and do not have to be numbered. The MRC will provide colored pennies for each team to wear. If your team chooses to get team jerseys please keep them clean (no profane words or dirty pictures) and they must be the same color. If your team so chooses to make team shirts they must be approved by the MRC Program Director before they are worn on the game field.
4. The field will be 80 yards X 40 yards with 10 yard end zones. The field will be divided into four equal playing zones 20 yards each. To receive a 1st down you must advance the ball with four or fewer plays to the next zone.
5. Kicking: There will be no kick offs. Teams always starts on their own five yard line. If your team chooses, you can punt the ball if your 3rd down attempt for a 1st down is unsuccessful. There are no fair catches.
6. Penalties: We will follow all the penalties listed in the USSSA rule book and enforce them as stated. If someone commits a penalty that involves unnecessary contact between players, the player that initiated the contact will not be allowed to finish the game. If a player retaliates to an unnecessary contact call with more unnecessary contact they too will not be allowed to finish the game. Unnecessary contact will be determined by the officials. Profanity will not be tolerated and will be a cause for dismissal from the game.
7. Protests are allowed for roster challenges only. If you want to challenge a roster you must present your challenge in writing along with a \$25 fee no later then 24 hours after the game in question. If your protest is up held your money will be returned. You are not allowed to protest once the post season tournament starts. Your may add to your roster up to the limit of fifteen and all additions must be made be for the second game of the season.

If you have questions please contact; Gabe Prescott MRC Program Director via email at gabeprescott@ymca-mrc.com or call at (620) 241-0363.

For the tournament remember that the top 3 teams from each division will advance. Thus far the top two teams from each division are lock in and are bolded in the stats sheets.

The tournament will work as listed below:

Games will always be played on the higher seeds home field. Your home field is the division your team played in. (South Division's home field is the South field.)

Game 1 on the North field: #2 North will play #3 South (Will be played at 6:30pm on 11/4/2010)

Game 2 on the South field: #2 South will play #3 North (Will be played at 6:30pm on 11/4/2010)

Games 3 and 4 will follow the scenarios listed below. (Will be played at 7:30pm on 11/4/2010 on the field listed below)

- I) Both #2's win and will play the opposite divisions #1. ie: #1 North plays #2 South and #1 South plays #2 North.
- II) #2 South wins and #3 South wins: #2 South will play #1 North and #3 South will play #1 South.
- III) #2 North wins and #3 North wins: #2 North will play #1 South and #3 North will play #1 North.

The Championship Game will be played at 7:00pm on 11/11/2010 on the south field.

By doing an inter league playoff, I am hoping to get the best two teams in the league to the finals. Plus, some teams will get to play team(s) that they may not of already played.

The teams in Bold will make playoffs no matter what happens this week.

In the North Division; Black Shirts play H. White this week and that game will determine the 3rd team in from the north division.

In the South Division; Hawks won the head to head game against the Outlaws 26 to 20 so they have the head to head tie breaker if they both win this week. If the Hawks loose and the Outlaws win the Outlaws win get in because they have the better overall record at 4-2 with the Hawks at 3-3.

If you have question please let me know.
